IN TRACTS OB FORTY ACRES AND UPWARD,
On Long Credits, and at Low Rates of internat.

These Lands were granted by the Government to abilit the
construction of this Railroad, and are among the richest and
most fertile in the State. They extend with the Road, from
Chicago on the north-east to Cairo at the south, and thence
to Galena and Dunleith in the extreme north western part of
the State. Most of these Lands in immediately on, and within
six miles of the Road, and none are more than fife on miles distant from it; hence, ready and cheap facilities are furnished for
transporting their products to any of the East-ern or Southern
markets. The great increase of population by immigration, &c,
and the consequent rapid growtin of flourshing towns and villeges in the line of the Road and throtshout the State, furmisines a wheatardial and growing home demand for every kind
of farm and sarden produce.

Wheat sown on the newly-turned sod is sure to yield very large profits. A man with a plow and two yoke of oxen will break one and a half to two acres per day. Contracts can be made for breaking, ready for corn or wheat, at from \$2 to \$3 per acre. By judicious management, the land may be plowed and fenced the first, and under a high state of cultivation the second year.

Corn, grain, cattle, etc., will be forwarded at reasonable rates to Chicago, for the Eastern, and to Cairo for the Southern market.

"We have already read a great part of the volume with an
interest accompanied with toriure. Uncle Tom's Cabin is really
a feeble bock, compared with this, in power of stirring and
attinging the aemshilities. That book slages, by fiction, what
Slavery does for black people: this exhibits in a simple, connected detail of facts what outrages it has perpetrated, through
the organization of the United States Government, upon white
men and women, and every principle of constitutional liberty.
The book ough: to be sold by tens of thousands."
